Hi John,

Tomorrow the authors of the FA-TK Section are meeting with the PKWG from 11.45 am to 12.45 pm. Tomorrow's discussion is about the ADME. I am forwarding this to you since you authored the 'Exhaled formaldehyde' section. See the comments in the attached files. Hope to see you tomorrow.

Sury

Switching to N125 (National Computing Center building) for the RTP room, since Marina can meet there.

Revising to the one other time that week when it looks like everyone is available!

This is to discuss findings of the PKWG review team for the formaldehyde document with the authors.
